**Shuttle Fees**

The Mulvane School District is one of only two districts in the state that offer a shuttle service. The shuttle fee will continue this school year.

All families that have students that ride the shuttle buses will be required to purchase a shuttle pass for their child or children according to the fee structure illustrated.

Families that have students that ride solely in the morning or afternoon will be able to purchase a bus pass for each child accordingly.

Families with students that ride in both the morning and afternoon will be able to purchase a multi-pass for each child. Families with students that only ride every once in a while will also be able to purchase this pass.

Families that have four or more students that ride the shuttle both morning and afternoon will be able to purchase a one time pass good for the whole family.

Students that are assigned to a route bus and ride the shuttle from the high school to the route buses in the afternoon will not be required to purchase a shuttle pass.

Shuttle fees will be collected at enrollment by the transportation department representative at the transportation table and each family will be handed their shuttle passes within the first few weeks of school. All fees will be required to be paid by September 1st. Students will be given several free replacement passes upon the loss of a pass, then be charged for passes after those have been lost. Students without a pass will be allowed on the shuttle and parents will be contacted as soon as possible to arrange payment. There will be NO refunds of shuttle fees for any reason.

Under the new guidelines, parents may request information on the professional qualifications of their child's teacher. Information may include certification and state qualifications, the teacher's degree major and other degrees held, and whether their child is provided services by a paraprofessional, and if so, their qualifications. ### T.A.P.E.

#### (Teachers and Parents for Education)

The purpose of this group is to allow Principals, Teachers, and Parents to provide help, encouragement, and support for each other. This group helps students K through 5 to have the best school experience possible.

T.A.P.E. also serves the community with several activities. The list of activities follows: Scholastic Book Fairs, Reindeer Lane Gift Shop, food for teachers during conferences, raising funds for two different schools to help purchase equipment, supporting RC parties, teacher appreciation gifts, coordinating General Mills Box Top Program, and publishing a school directory and year-book.

If you would like to become a member, you can sign up at enrollment. The cost of membership is \$5.00 which includes a directory. T.A.P.E. meetings are held the first Thursday of every month.

#### MULVANE HIGH SCHOOL BOOSTER CLUB

Mulvane High School Booster Club supports academic and service activities as well as sports. Some of the activities/events we help with are: Technical/robotics, play/musicals, and scholarship funds.

The Booster Club raises funds with our membership drive, sports dinners, clothing sales and concession stands/gates. The amount of money we raise determines the amount we are able to give in scholarships and to MHS Organizations. In order for MHS Booster Club to continue to be successful, we need your help. Dues are \$10.00, \$25.00, or \$50.00 (depending on the level you join) and they are important, but volunteer support is also needed. Please complete a membership form at the time of enrollment. If you have any questions, please contact an officer.

#### PARENTS AS TEACHERS PROGRAM

Mulvane Parents as Teachers is a free year-round program open to all USD 263 families with children birth to 3 years old. We also serve families who are expecting children, with our prenatal program. We offer personal home visits, group meetings and play groups, community networking, screenings, and a resource center. We have PAT brochures and monthly calendars available at the public library and in several businesses around town. If you would like more information, please call 777-0151, ext. 744 or contact Debbie White, [dwhite@usd263.k12.ks.us](mailto:dwhite@usd263.k12.ks.us).

Our district's PAT program serves Mulvane children and their parents, because children are born to learn and parents are their child's best first teachers!

#### REDUCED PRICE & FREE SCHOOL MEALS ARE AVAILABLE AT MULVANE USD #263

Mulvane USD #263 participates in the Child Nutrition Program administered by the Kansas State Department of Education. Application forms are available at each school building and the district office. During these tough economic times, we encourage you to fill out an application to see if your student qualifies for this program. All applications are treated confidentially. Mulvane USD #263 wants to give each student the opportunity to have a nutritious breakfast and/or lunch.

### IMMUNIZATION NOTICE

State law requires that all students have proper vaccinations, or they will not be allowed to enter or continue in school. Each student enrolled in the Mulvane Public Schools must file an immunization (KCI) form signed by a physician or local Health Department official. All students entering Mulvane Public Schools must have completed the full series of required immunizations and a health assessment form in order to enroll in school. Students who have not completed the required inoculations may enroll if a physician or local health department certifies that the child has received the most recent appropriate inoculation in the required series. The required series consists of:

- Diphtheria, Tetanus, Pertussis (DTaP): Five doses required. The Tdap booster is required at 11 years of age if more than 2 years since previous dose.
- Oral Polio (OPV): Four doses required. The last dose of the OPV inoculations must have been received after the fourth birthday.
- MMR (Measles, Mumps, Rubella): Two doses; state mandate requires student to have a total of two.
- A tetanus booster is required ten years after the last DPT.
- A Varicella (Chicken Pox) or proof of prior varicella disease must be provided.
- Hep B (Hepatitis B): Three doses required for children less than 5 years of age in early childhood programs.
- PCV7 (Pneumococcal Conjugate): 4 doses required for children less than 5 years of age in early childhood programs.
- Hep A (Hepatitis A): Two doses required for children less than 5 years of age in early childhood programs.

Medical or religious exemptions are the only legal alternatives allowed by the state and must be filed with the school annually.

Children who are exempt from immunizations will be excluded from school in the event of an outbreak or suspected case of vaccine preventable disease.

#### KIDCARE CONNECTIONS

Kid Care Connection is a state licensed child care service for school-age children - ages 5-12. Our mission is to provide quality and convenient childcare to your school-age children at a competitive value.

The fee for service is based on weekly contracts. Our license stipulates the number of children we can care for based on the size of the space, the site director's qualifications, and staff to child ratio. Consequently, we do not allow drop ins without prior arrangements to ensure license compliance. Our tuition schedule is as follows:
