Complaints alleging discriminatory and/or harassing conduct on the part of the superintendent shall be addressed to the board of education. Any general student complaint, not alleging an act of discrimination, shall be resolved under the district's general complaint procedures in policy KN.

individual of the employee's obligation to report the complaint and any proposed resolution of the complaint to the building principal. The building principal shall discuss the complaint with the individual to determine if it can be resolved. If the matter is resolved to the satisfaction of the individual, the building principal shall document the nature of the complaint and the proposed resolution of the complaint and forward this record to the district compliance coordinator. Within 20 days after the complaint is resolved in this manner, the principal shall contact the complainant to determine if the resolution of the matter remains acceptable.

If the matter is not resolved to the satisfaction of the individual in the meeting with the principal, or if the individual does not believe the resolution remains acceptable, the individual may initiate a formal complaint.

Formal Complaint Procedures

- A formal complaint shall be filed in writing and contain the name and address of the person filing the complaint. The complaint shall briefly describe the alleged violation. If an individual does not wish to file a written complaint, and the matter has not been adequately resolved through the informal procedures described herein, the building principal may initiate the complaint. Forms for filing written complaints are available in each school building office and the central office.
- A complaint should be filed as soon as possible after the conduct occurs but not later than 180 days after the complainant becomes aware of the alleged violation, unless the conduct forming the basis for the complaint is ongoing.
- If appropriate, an investigation shall follow the filing of the complaint. If the complaint is against the superintendent, the board may appoint an investigating officer. In other instances, the investigation shall be conducted by the building principal, the compliance coordinator, or another individual appointed by the board or the superintendent. The investigation shall be informal but thorough. The complainant and the respondent will be afforded an opportunity to submit written or oral evidence relevant to the complaint and to provide names of potential witnesses who may have useful information.
- A written determination of the complaint's validity and a description of the resolution shall be issued by the investigator, and a copy forwarded to the complainant and the respondent within 30 days after the filing of the complaint. If the investigator anticipates a determination will not be issued within 30 days after the filing of the complaint, the investigator shall provide written notification to the parties including an anticipated deadline

for completion. In no event, shall the issuance of the written determination be delayed longer than 10 days from the conclusion of the investigation.

- If the investigation results in a recommendation that a student be suspended or expelled, procedures outlined in board policy and state law governing student suspension and expulsion will be followed.
- If the investigation results in a recommendation that an employee be suspended without pay or terminated, procedures outlined in board policy, the negotiated agreement (as applicable), and state law will be followed.
- Records relating to complaints filed and their resolution shall be forwarded to and maintained in a confidential manner by the district compliance coordinator.

Formal Complaint Appeal

- The complainant or respondent may appeal the determination of the complaint.
- Appeals shall be heard by the district compliance coordinator, a hearing officer appointed by the board or the superintendent, or by the board itself.
- The request to appeal the resolution shall be made within 20 days after the date of the written determination of the complaint at the lower level.
- The appeal officer shall review the evidence gathered by the investigator at the lower level and the investigator's report and shall afford the complainant and the respondent an opportunity to submit further evidence, orally or in writing, within 10 days after the appeal is filed.
- The appeal officer will issue a written determination of the complaint's validity on appeal and a description of its resolution within 30 days after the appeal is filed.

The district prohibits retaliation or discrimination against any person for opposing discrimination, including harassment; for participating in the complaint process; or making a complaint, testifying, assisting, or participating in any investigation, proceeding, or hearing.

Use of this complaint procedure is not a prerequisite to the pursuit of any other remedies including the right to file a complaint with the Office for Civil Rights of the U.S. Department of Education or the Kansas Human Rights Commission.
